ANOTHER GENERATION OF NAVY SERVICE IN GARREN FAMILY

A commitment to military service continued when Kevin David Garren raised his right hand and enlisted in the U.S. Navy earlier this year. His father, Capt. select William A. Garren, swore him in during the ceremony at the military entry processing station in Atlanta.

Seaman Garren is a 2011 Northgate High School graduate and an Eagle Scout. He is enrolled in the prestigious Nuclear Power program.

"I was very honored to swear my son in the Navy. He did great at basic and I can't wait to attend his graduation from the nuclear power program later this year," said Capt. select Garren.

Currently, Garren serves as the deputy assistant chief of staff for training with the NAMDC. He is a Desert Storm combat veteran, a surface warfare officer and a joint interface control officer.
